

Dear Parents,

I hope that you and your family had a blessed Christmas. Although it is only January, our school family is already excited about the plans for the 2012-2013 school year. Today, I am forwarding to you our Admissions Policy and Tuition Schedule along with registration information. We so look forward to welcoming the newest members to our school family.

As a result of Father O'Connor's dreams and Finance Council's trust, we were delighted that tuition for the 2011-2012 school year was REDUCED by \$100.00 per student! This reduction was the first step to achieving Father's dream of having a school whose tuition is totally funded by parish family stewardship gifts. We are pleased that the tuition reduction for 2012-2013 will be \$50 per student for members of our parish and our cluster parishes.

If you have already decided that St. Joseph Parish School will be your choice for your child for next year, I am very grateful. If you are undecided, I would like to cordially invite you to our Open House on January 20, from 9:30-11:00 AM. Once again there will be a tour of the school and classroom visitations. I would also be very happy to meet with you personally to answer any questions and offer classroom visitations and meetings with the faculty. Please do not hesitate to contact me personally through the school office at 440.933.6233. Evening appointments are also available.

Registration for new families will be held on Sunday, January 29 from 9:30 AM to 12:30 PM in the school library. Included in this mailing, along with the Admissions Policy and Tuition Schedule, is the registration form. If you are unable to register at that time, please visit the school office after January 29. Please note that space in kindergarten may be limited as we have a large number of students with siblings entering kindergarten. Please complete and return the registration form along with your registration fee and remittance slip. Once we have received this information and payment, you will receive a letter by email confirming your enrollment and inviting you to our kindergarten meeting in March. At that parent meeting, you will have an opportunity to meet the kindergarten teachers and other kindergarten parents, to schedule your child's kindergarten screening, and to receive the required medical forms. This is a very special evening for all of us, as we have the opportunity to warmly welcome you to our family.

Thank you for the opportunity to serve you and your family.

Sincerely,

-----
