Week 1: Dignity of the Human Person

The Catholic Church teaches that every person is created in the image and likeness of God.

> As such every human being possesses an inalienable dignity that stamps human existence prior to any division into races or nations and prior to human labor and human achievement.
> (USCCB, Economic Justice for All, 1986)

Questions for Discussion

- What are the current threats to the dignity of each person in today's society?
- How can civility be restored in discussions on life issues in the church? In the community?
